

## *Double Your Profits and Fun!*

*with Jeanna Gabellini*

*This a Resource List of all the services and systems I use, love and recommend to my clients year after year ... Enjoy!*

---

### **Website Creation Workshop - Christina Hills**

If you're putting together or updating your own website, this is THE workshop to get all the ins & outs ... and you don't have to be techy to 'get it'. You want a website that looks amazing and functions like you want it? Christina is really good at simplifying the process! [Get in here.](#)

### **Automate Your Marketing Webinars - Rob Goyette**

Rob is my marketing coach. The day I hired him, my business was changed forever. He's got an amazing program that shows you everything you need to use automated webinars to sell your awesome products and services. And as usual, he over delivers!

[Check him out.](#)

If you're just starting your biz or growing it, Direct Pay Solutions has it all! Shopping carts, merchant accounts, email broadcasting, auto responders, affiliate programs and ezines all in one place! If you were considering

1ShoppingCart or InfusionSoft, go here first. Love these guys! [Direct Pay Solutions](#)

---

[Infusionsoft](#) is the ecommerce system I use for MasterPeace Coaching. It's like a behind-the-scenes sales machine. It does email marketing, ecommerce solutions (shopping carts!), CRM system, lead tracking and more! This is for you, when your list has grown and you want to be very strategic about your online marketing. Just give your Infusionsoft Sales Rep my Partner Code: 24380.

## LeadPages

If you want opt-in and launch pages that convert, [Leadpages.net](http://Leadpages.net) is the bomb diggity. So easy to use, too! It's what I use during my six-figure launches.

## Click Funnels

These landing pages and launch funnels are a bit more expensive than LeadPages but there are more options to customize your pages. My team loves it! [Try it here.](#)

This is what I use for my webinars and teleclasses. It has so many features I can't list them all here, plus a \$1 trial. And since I'm not a techie, I love how easy it is to use! So will you ... [Instant Teleseminar](#)

**Audio Acrobat** is our go-to resources to record the audio for all of our webinars and teleclasses. Plus you can use it to record interviews, testimonials and more. Trust me, they've saved my butt so many times! While I record straight from my conference line, sometimes technology doesn't work the way you want! [Get it here.](#)

**Zopim** - Awesome Chat Feature for your WordPress site. I use it on my sales pages and it has increased our sales conversion! Another easy-to-use system. Can't live without it.

## [Book in a Weekend](#) - Donna Kozik

If you have a book waiting to be birthed, this is the virtual workshop to do it. Donna has a wonderful structure to make it easy and you can ask every book question you need to make it a smooth ride.

---

## Nancy Juetten - Bye Bye Boring Bio

This package of road-tested tools makes it easier than ever to describe what you do in a way that excites you and attracts more perfect people to your business. Easy-to-use templates make it fast and effective to create bios that attract clients, speaking gigs, and media interviews. [Bye-Bye Boring Bio PLUS!](#)

---

Need help copywriting? This is the coach I've used for a decade. I can't sell without Nancy Tierney! She's the secret weapon in my launches.

[www.firecrackercommunications.com/](#)

---

If you need the bestselling copywriter around for your sales page or email sequences, **Michele PW** will do it for you. Let your copy do your selling so you can do what you do best! [Michele PW.com](#)

---

### JVIC - Joint Venture Insider Circle

If you want to add value to your products and services, build your email list and get promoted to the tribes of your ideal clients and customers, then this is the best place to do it. This is a coaching program and community full of partners waiting to support your mission. There is no way I could have done six-figure launches for three years in a row without my joint venture partners. [JV Insider Circle](#)

---

Victoria Vinton is the gal I use to make my sassy book covers. She also makes the inside of my books look gorgeous. She's so easy to work with and will make sure you get exactly what you want. [www.coyotepressgraphics.com](http://www.coyotepressgraphics.com)

---

For graphic art that is right on the money every time ... **Susan Johnson** is by far the most intuitive, creative and speedy graphic art designer I have ever used. She has created logos, brochures, journal covers and every website I've launched. She's soooooo good! She also designs a ton of my marketing materials including t-shirts, bags, bookmarks, CD covers and invitations for my parties. <http://susandjohnson.com/>

THE  
**Coaches Console®**

A System for Coaches to Keep It ALL Organized!

The Coaches Console is a breakthrough system that manages marketing, contacts, communications, online-scheduling, client data and payments, plus integrates templates for websites, client forms, autoresponders, coaching agreements and more ... all incorporated in one intuitive technology! [Check it out here.](#)

---

### Client Sign-Up System

Discover the best places to find high paying clients and the exact words to say to have them immediately want to work with you in this [special video and report from Christian Mickelsen](#), the #1 best-selling author of "Get Clients Today".

---

### [CTI - The Coaches Training Institute](#)

This is where I got my coaches training back in 1996. They are the best in the industry. I've sent hundreds of people to them through out the years and now they're all raving fans, too. Their leadership training is also in a class of its own!

cti

changing business.  
transforming lives.

### Holistic Time Coaching and Consulting - Julie Gray

If you want to get your head, life and business streamlined in a way that makes your heart happy, Julie is my go-to coach. She's all about systems that fit with your natural style. I've had her on retainer for years. She gives me peace. [Get some of that here.](#)

### Product in a Weekend - Tom Buford

Do you need guidance on creating an info-product? Get it dialed in during this virtual workshop.

Your Key to Lasting Happiness, Success, Peace & Emotional Well-being!

Experience total trust and abundance in ALL areas of your life while seeing the results just waltz in by using [The Sedona Method](#). Live seminars, audiotapes, courses, and books are available (if I could sell this wholesale, I would!). It's all about knowing how to release, which is not a luxury, it's a Basic Survival Skill for the millennium. It allows you to be peaceful right here and now and become clear on your aversions and what you say you want. Look out! You'll flush up a lot of emotional attachments, but then quickly let them go.

### Abraham-Hicks

They are the *best* teachers on anything Law of Attraction. I coach and teach on the topic, and I say "run" to their website. Everything they sell is simply the best on the market. Love, love, love!

### Totally Unique Thoughts - Mike Dooley

Receive uplifting, inspiring, and quick messages from the Universe to delight and surprise you. And they're free! Also check out his great books and audios.
